Catering Menu

*Catering Services
Provided Exclusively by*

*Exclusive Pouring
Partner*

Thank you for your interest in hosting your event at the Science Center of Iowa!

SCI proudly recognizes Eurest Dining Services as our exclusive catering partner. Below are a few guidelines to help you effectively plan service for your guests:

- Eurest Dining Services, SCI's in-house caterer, must provide all food and beverages, as well as be responsible for removal and disposal.
- A complete menu should be confirmed with your catering representative no later than 30 days prior to your event. One menu must be selected for the entire group to ensure quick and efficient service.
- Menu substitutions may be made of comparable quality and category. Please communicate any special dietary requests including vegetarian needs no later than 30 days prior to your event to ensure ability to accommodate.
- All dinner courses must be served in a single location within SCI. Please ask your catering representative about progressive dinner options.
- Eurest Dining Services provides a top-quality catering experience. Clients wishing to sample the proposed menu prior to the event will incur labor and food costs at the time of the tasting.
- Eurest Dining Services requires the number of guests on all catering arrangements to be finalized no later than 7 days prior to the event. Should the attendance be higher than the guarantee, the client will be charged for the actual event attendance.
- Eurest Dining Services requires payment in full the day of the event. Checks can be made payable to Science Center of Iowa. SCI does not provide direct billing.
- Tables are dressed appropriately for full meal functions with standard white linens and napkins. Cocktail tables do not receive linens, unless requested for an additional fee.

Inside you will find a complete listing of menu options for your event, as well as an easy-to-use Price Guide. Please contact your catering representative at events@sciowa.org or 515-274-6868 if you have questions regarding this menu.

The Science Center of Iowa and Eurest Dining Services are excited for you and your guests to take part in the unique SCI experience!
