

# BIOBLITZ

## AT JESTER PARK

### DOCUMENT THE BIODIVERSITY OF CENTRAL IOWA

- Scientists can't study nature alone—they need curious explorers like you!
- **BioBlitz** participants will work together in groups guided by naturalists to find and **record as many species as possible** in a single day
- Using the **iNaturalist** app, you'll photograph plants, insects, fungi, birds, and other wildlife while exploring Jester Park's prairies, wetlands & woodlands
- **No experience necessary**—just bring curiosity, a cellphone, and a sense of adventure. Registration required. **Free to the public**

Scan for more info & registration

**Saturday, 6/20/26**  
9:00 am - 12:00 pm

**Jester Park**  
12130 NW 128th St,  
Granger, IA 50109
